

1980's Emergency Preparedness Brochures

Collection Summary

Title: Emergency Preparedness Brochures

Collection Group: 1980's Emergency Preparedness

Dates: 1980-1983

Location: *Archives BK2*

Quantity: 1 Clamshell

Abstract: This collection consists of general informational books, pamphlets, and brochures intended for the general public. Almost all materials treat the topic of fall-out or radiation as a primary concern.

Arrangement: The collection has been accumulated over the years with no obvious order. Materials are sorted by type of disaster primarily covered – nuclear or natural.

Contents

Series and Subseries

Box 1 of 1
