## Current Planning Department Development Applications as of 02/13/2023

Total Case Numbers Listed in this report: 934

*This report lists all current Planning Department Development Applications alphabetically, and is updated on our website every Monday. A single application can include one or more individual cases which are also listed below. Currently inactive cases are also listed, but will be removed if they remain inactive for a period of six months or longer. An application may require approval by the Planning Commission, the City Council, the Director of Planning, or require a combination of approvals, depending on the nature of the application. For more detailed information, you may call the Planning Department at (303) 739-7250 and ask for the Case Manager listed. Please refer to the application by application number, for example "DA-1650-00".*
