

City Web Site Report
New Minor Amendment Applications Received by Week
City of Aurora Planning Department
For the Application Processing Week Starting Thursday, 03/30/2023

This report lists all new Minor Amendment applications that started processing on the date listed above. For further information on any application, call the Planning Department at (303)739-7250 and ask for the Case Manager listed. Please refer to the application by Application Number. Minor Amendments are usually processed in two to three weeks, although applications with incomplete information or those requiring more than one submission may take longer.
