

2024 Fitzsimons Men's Club

Our Men's club is built for avid golfers. We play on Monday each week from early April till the end of October. We offer a friendly, relaxed way to play competitive golf at a great price. Tournaments include a variety of formats for both individual and 2-person team tournaments, plus 2 two-day Club Championships tournaments. The Registration fee is forty-five dollars (\$45) to join. Each tournament fee is seven dollars (\$7) plus your regular Aurora greens fee. Most tournaments will have six or seven flights so you will compete with golfers whose average scores are close to yours. **Winnings are posted to your City of Aurora credit book within 14 days of each tournament. Your City of Aurora credit book balance must be redeemed in full by December 31st of each year at any of the five City of Aurora Golf Pro Shops.** Please join us this year in enjoying the game of golf and all of its wonderful qualities.

The membership is limited to the first 180 players. Applications from returning members from last year will be accepted through February. Starting March 1, we will accept all applications until we reach the 180-membership limit.

Handicap Information

Our Fitz Men's club uses our own handicap system, not the World Handicap System (WHS\GHIN). Your ongoing handicap for Men's Club Tournaments is based only on your Meadow Hills rounds played in our league Tournaments.

For new members, you can establish your league handicap three ways: 1. By submitting three attested scorecards from recent 18-hole rounds played on a full-sized course (Par 70 - 72). 2. You can play three non-tournament rounds with the club on Mondays, or 3. Submit your WHS index, we will use that index for your tournament handicap until you establish a Fitz Men's Club handicap. Please provide your WHS information on your application.
