

2024-2025 School Year Registration

Classes begin August 12, 2024

The city of Aurora offers a continuous preschool program during the school year (August-May) for children ages 3 or 4 years old (as of Oct. 1, 2024). Child must be potty trained to attend classes. Our preschool programs focus on school readiness, language, literacy & math skills, along with self-help, social emotional development and fine/gross motor skills. We offer a variety of classes at our five preschool locations with both free and tuition-based options to meet the various needs of families. Please contact the location you are interested in for more information on how to enroll your child.

FREE Universal Preschool Program

ALL 4-year-olds qualify for 10-15 hours a week of free preschool tuition. Select 4-year-olds (based upon state funding and qualifying factors) may qualify for 30 hours a week of free preschool. Those 4-year-olds interested in our full day preschool program who do not qualify for the 30 hours of free preschool, may register for a full day program, use their 15 hours a week of free preschool and pay the difference in tuition costs to attend 30 hours a week.

In collaboration with Aurora Public Schools, the Universal Preschool 3-year-old Program provides 10 hours a week of free preschool for 3-year-old students. Spaces is limited in these classes and students must meet qualifying factors to be eligible for the free program.

KINDER KIDS:

Class is designed for children entering kindergarten in the Fall 2025. This program meets 4 days a week with a part-time option (10 hrs/week), a half day option (15 hrs/week) or a full day option (30 hrs/week). Child must be 4 years old by Oct. 1, 2024 to qualify. All Kinder Kids classes are subsidized through the Universal Preschool Program.

TINY TOTS:

Class is designed for children age 3-years-old as of Oct. 1, 2024. This program meets 4 days a week for 2.5 hrs/day.

Our Tiny Tots program offers both tuition-based classes, as well as free classes. Our free classes are subsidized through the Universal Preschool Program.

COMBO KIDS:

Our combo classes are a mix of our Kinder Kids and Tiny Tots students. These classes are for children ages 3 or 4 as of Oct. 1, 2024. These classes are tuition based for 3-year-olds or subsidized free classes for 4-year-old students. Combo classes meet 4 days a week for 2.5 hrs/day.

Tuition Costs

Tuition costs are calculated on a per class session fee, so monthly tuition fees vary each month based upon the number of classes scheduled each month. All class fees are based upon an hourly rate of \$8.25/hour. Non-resident fees are 25% additional. First month tuition is due at the time of enrollment and subsequent monthly tuition costs are due on the 20th of the month for the following month.
